

Welcome to the Tara AI E-Learning Platform

Tara AI is a state-of-the-art interactive e-learning platform launched in 2026. We offer comprehensive courses spanning Data Science, Machine Learning, and Web Development.

Platform Features:

- 24/7 AI-powered tutoring with Tara.
- Certification upon completion of intermediate and advanced tracks.
- Access to an exclusive community of developers and data scientists.

Contact & Support:

For any issues, you can reach out to support@tara-ai.com. Billing inquiries should be directed to billing@tara-ai.com. You can also use the built-in chat interface to ask Tara about courses and platform features.
